Alpenglühn

Synopsis

The term alpenglänhn, or alpenglow, refers to the purple light that can often be seen on the tops of mountains, a spectacularly beautiful natural phenomenon. But in this magnificent volume of photographs, it's not only the Alps that are glowing in warm translucent light, but the girls also. Is this for real? It seems these strikingly pretty creatures have climbed up steep hills and hiked through meadows only to cast off their dirndls with enthusiastic aplomb. Well, Stefan Söll knows exactly how to turn such fantasies into reality. He celebrates the natural beauty of alpine flora and fauna, using the mountains where Germany, Austria, and Switzerland meet as his setting. His studio in Friedrichshafen on the Bodensee is in the perfect location from which to start these photographic excursions.

Customer Reviews

It is too bad that only provides a five-star rating capability for this item, because I would be more than ready to rate it a SIX! This book is an absolute masterwork; a lush collection of photographic work and a dazzling showcase for extraordinary alpine shooting locations and equally extraordinary female models. There are some truly Fantastik Frauleins here; every one of them more than the equal of the typical Playboy Playmate, or Sports Illustrated or Victoria's Secret supermodel. They are dazzlers all. These are truly World Class beauties and if there was a category for such loveliness in Olympic competition, there'd be Gold Medals being handed out all around to this bunch. These girls are voluptuous, but there are NO "Brunhildes" here. These aren't built like Grand Opera singers! These foxes are lithe, supple, and SVELT. One look at the lot of them and, if you are

a red-blooded heterosexual male, you likely WON'T turn into a werewolf, but you sure might damn well be ready to go out and howl at the moon!! I opened this volume and fell instantly and irrevocably in love (and lust!) with Susann---the very first of Stefan Soell's nubile nymphs my eyes beheld. THEN I fell instantly and irrevocably in love (and lust!) with Corinna!!! Like Elvis Presley in "G.I. Blues", I might not have a wooden HEART, but I had to really wonder if something else might not be going wooden on me! Then I saw and went gah-gah over Rose! Then with Ivory Flame! Then Denisa! And with Sujatha! And Jana! And Julia! And Anke! And Lia! Alexa! Anna! Lorena! Katy! Mabelle! Ariel! Kinga! Nicolette! Jade! Elisa! Andrea! Iva! Niki! Alison! Saskia! Estella! And if I have forgotten anybody then JUST SHOOT ME!
