Perfect for a young child - has their attention.

so few contents but quite interesting secrets

Great book for minecraft fans! My 8 year old enjoys the short stories...happy with purchase.

I'm reading this book to my 7 year old son and, he LOVES it! Only problem I have with it, is if it was a young child reading it alone there are some words that are put in wrong spots and it doesn't make sense on the sentence they would be reading. I catch it before I say it out loud to my son and put in the right word, but that's my only issue with it. My son loves it and so do I :) would def recommend to a Minecraft young reader, or to a mommy/daddy that would like to join their kids love of Minecraft ;)

DELIVERED AS PROMISED NO PROBLEMS
