The Board Game: How Smart Women Become Corporate Directors

Synopsis

THE BOARD GAME presents the undeniable case for having more women corporate directors at the decision-making tables of America's public companies. Fifty-eight women directors tell how they won their first board seats. From her executive-search perspective, author Betsy Berkhemer-Credaire gives valuable advice to women at all career stages - so YOU, your sisters, your mothers, and your daughters will have a chance to win The Board Game._

Customer Reviews

Not only is "The Board Game" a fascinating read, it is a strategic guideline for women who view corporate board service as their ultimate goal."The Board Game" emphasizes the value of networking and serving on non-profit boards as a pathway to both private and corporate boardrooms.Of particular interest is the diversity of paths women have chosen to reach those goals. Extensive research lends credibility to these paths.A "must" read is the final chapter on the risks and rewards of corporate membership.

Excellent book--for both current and aspiring board directors! And yes--for shareholders who want to be more informed on knowing about outstanding women directors and their journeys to the boardroom.With bios, backgrounds and insights from 58 female board directors--you will gain an understanding of The Board Game!

First, the book gave an excellent review of why more women are needed on boards. Then, it

described well the route to take from the beginning of your career from any special field. Lastly, the resume template was invaluable to be able to present yourself properly to the companies you desire to serve.

If you want to become a board member of a public company, you have to plan ahead and surround yourself with the right people. This book will tell you everything you need to know to be a player in the Board Game.
