Gangland New York: The Places And Faces Of Mob History

Synopsis

From the Bowery Boys and the Five Points Gang through the rise of the Jewish "Kosher Nostra" and the ascendance of the Italian Mafia, mobsters have played a major role in the city's history, lurking just around the corner or inside that nondescript building. Bill "the Butcher" Poole, Paul Kelly, Monk Eastman, "Lucky" Luciano, Carlo Gambino, Meyer Lansky, Mickey Spillane, John Gotti - each held sway over New York neighborhoods that nurtured them and gave them power. As families and factions fought for control, the city became a backdrop for crime scenes, the rackets spreading after World War II to docks, airports, food markets, and garment districts. The streets of Brooklyn, swamps of Staten Island, and vacant lots near LaGuardia Airport hosted assassinations and hasty burials for the unlucky. The bloodlettings, arrests, and trials became front-page fodder for tabloids that thrived on covering Mulberry Street. Chinese, Russian, and Greek mobsters rose to prominence and wrought bloody havoc as well. Each of Gangland New York's five sections - one for each borough - traces criminal activities and area exploits from the 19th century to now. Everyone knows about Umberto's Clam House in Little Italy, but now you can find Scarpato's restaurant in Coney Island, where Joe Masseria was killed by henchmen of Salvatore Maranzano, who in turn died in a Park Avenue office building at the hands of "Lucky" Luciano a few months later. From the Bronx to Brighton Beach, from New Springville to Ozone Park, here is a comprehensive, on-the-ground guide to mob life in the Rotten Apple.

Customer Reviews

[ASIN:1493006002 Gangland New York: The Places and Faces of Mob History]]..Gangland New York: The Places and Faces of Mob HistoryGripping, fascinating and informative!! DeStefano's masterful work- as shines forth in his previous offerings-literally jumps off the page and forces you into a "must-read- a bit- more" page turner mode. One certainly does not have to be a native New Yorker to appreciate the mountains of "Five Boroughs"facts that Gangland New York so easily presents.Communicating in a clear, crisp and accurate voice,Mr. DeStefano has written a book that remains one of the most authoritative and compelling Criminal History books that I have read in decades.It has a simple, strong and sincere narrative to it that readers simply aren't shown in many "Underworld" offerings. It honestly is truly well written and tops the list as an comprehensively authoritative Guide Book/Tale into the Netherworld and History of New York's' many Mobster and Criminal Gangs. Gangland New York guides you easily into the world of New York Mobsters, and remains one that you should buy with absolutely no hesitation.

I bought for friend and he could not put the book down. Lots of information

Anyone with even the slightest interest in mob history in the New York Metro area will love this book.
