Bringing Tuscany Home: Sensuous Style From The Heart Of Italy

Synopsis

I always imagine each of the signoras who lived in this houseâ” where she shelled peas, rocked the grandchild, placed a vase of the pink roses. Now I would like to take one of these women back to my house in California to show her how Bramasole traveled to America and took root, how the doors there are open to the breeze from San Pablo bay and to the distant view of Mount Tamalpais, how the table has expanded and the garden has burgeonedâ” [The â œbard of Tuscanyâ” • (New York Times) now offers a lavishly illustrated book for everyone who dreams of integrating the Tuscan lifestyleâ” from home decoration and cooking, to eating and drinking, to gardening, socializing, and celebratingâ” into their own lives. Customer Reviews

'Bringing Tuscany Home' by Frances Mayes has several different faces, but its title tells its primary objective, which is importing to one's American home the furniture, style, feel, and 'Zeitgeist' of Tuscany, where the authors Mayes have a 'summer' home. For readers who are familiar with my concentration on culinary works, I was lead to buy this book for review by 's bringing it up in a list of culinary titles, so I bought it largely on the strength of Ms. Mayes' reputation as the author of 'Under the Tuscan Sun'. While the book does contain a few recipes, the most interesting one being an Italian plum tart borrowed from Tuscan summer neighbor Nancy Silverton of La Brea Bakery fame, it is not really a culinary title. Edward Mayes appears to be the cook of the family and most recipes are attributed to him, including a soffritto, a tomato sauce, oven roasted tomatoes, artichoke pesto, olive salsa, Tuscan beans, grilled radicchio, farro salad, fried zucchini flowers, shrimp in pasta shells, picci with fresh fava beans, potato gnocchi and sauce, pasta with pancetta, black cabbage soup, vegetable soup, eggplant parmesan, chicken with olives, rolled veal scallops, rolled sole, white peaches with almonds, and tulip shells with berries. Aside from the very last recipe, everything is pretty standard stuff. The basis of the Mayes' expertise in Tuscan style is their ownership and renovation of a middle-sized villa just outside the village of Cortona in Tuscany for the last fourteen (14) years and their furnishing a Marin County, California home after the Tuscan style. This, more than anything else, is the meaning of the title. If this book were written by a journeyman travel writer and if it were priced above its very modest \$29.
